

IF YOU AREN'T TALKING TO YOUR MANUFACTURING CLIENTS ABOUT PRODUCT RECALL COVERAGE, SOMEONE ELSE WILL.

Are you ready for questions like:

- Am I covered for a product recall?
- What is the Consumer Product Safety Improvement Act of 2008 and how do product manufacturers stay current in this new regulatory environment?

Swett Recall Solutions can provide the product recall expertise you need. Our markets can cover the products that have been most frequently hit by recalls, such as:

Appliances, Clothing, Electrical Products, Furniture, Sporting Goods, Tools, Toys and more!

In most cases coverage can be tailored to a specific customer and product.

Coverage can be tailored to include recall expenses only or broadened to provide full coverage including third party coverage.

Put our expertise to work for you!

We would like to provide you a non-binding indication to present with your GL/Products program. We can do so if you can help provide the following info:

- ◆ Insured Name:
- ◆ Insured Address:
- ◆ Description of Products to be covered:
- ◆ Annual Receipts for Products to be covered:
- ◆ Detail of any incidents in the last 10 years.
 - What happened?
 - Total Cost?
- ◆ Largest Batch size and Batch value:

For more information on the product recall, visit the office map at www.swett for a Casualty expert near you.
