

Transportation Coverage

HEAD TO SWETT & CRAWFORD FOR TRUCKING, COMMERCIAL & PUBLIC AUTO AND GARAGE COVERAGE

As one of the industry's premier providers of coverage for transportation risks, Swett & Crawford provides protection for a broad spectrum of commercial vehicles. Through our brokerage and in-house underwriting facilities specializing exclusively in transportation accounts, turn to us for coverage of trucks, tractor-trailers, limousines, dump trucks, shuttle buses and other commercial transportation.

Swett & Crawford offers its broker clients exclusive binding authorities supporting flexibility, capacity and creativity in both underwriting and placement of transportation exposures. You can count on us for a range of coverage from carriers carrying a minimum A. M. Best-rated "A-" VII or better.

Talk to us about your transportation accounts, including those with problem loss histories or drivers. You can count on us to come up with quality solutions.
